Hi, Vy-An

Here is what I propose to pay you for the summer for your work from 6/6/2016 to 8/12/2016: total of 10 weeks.

Hourly: \$18 and 40 hrs/week

The total summer pay will be \$7200. Given that you received a \$5000 lump sum from U of A (CIAN program), we will pay you the rest of \$2200 as a stipend from UC Berkeley.

Please reply and let me know if the U of A lump sum is correct.
